Mr W. A. Anderson
711 Davis St.
Jacksonville Fla.

Dear Mr Anderson:

I received your letter, telling me we could not have The Easter Sunday date in Jacksonville, as Mr Pollock already had it.

I have learned since returning home that The Grays are planning to train in Jacksonville also. It looks like there will be a lot of baseball there. Now I want to ask you if it will be possible to get two or three good nights to play there. Most of our teams will be training somewhere in Florida, and I am sure it will be possible to get almost any of them to vcome to Jacksonville if you think it will pay. I am sure the fans would like to see some of the league teams play each other. This would be the only time they could come that far south.

Let me know what you think of this, and also let me know what local team we would play otherwise.

Are there any other Sundays in April that have not been booked? Please let me have this information about available dates as soon as possible, as I may be able to arrange something interesting at our schedule meeting in New York this month.

I also want to ask you to do me a favor. I wrote Mrs Williams about rooms and board for the team January 28th. To date I have not heard from her. I asked her to send me a letter confirming the dates. It is possible the letter could have gone astray. Will you please go see if she received it, and ask her to write me if she is going to take care of the team. I would like to hear from her right away. Thank you for your assistance.

Very Truly Yours
